

VILLAGE BOARD HEARS REQUEST FOR SEWER & WATER FACILITIES

Xmas Fair Planned By Chamber

The Antioch Chamber of Commerce is making plans for a Holiday Fair to be held at the Antioch High School on November 30 and December 1. Ralph Greens is general chairman of the fair.

The Holiday Fair is similar to a Home Show, wherein local businessmen display their wares. Special emphasis will be placed on Christmas suggestions by retailers. Besides the displays, entertainment will be provided both nights. A woman's style show with professional models is being considered. Most of the thirty or more merchants displaying their wares will offer door prizes, give-aways, etc. There is no admission charge and everyone is invited.

Public Works Ready To Start Work

Melvin C. Mullins, chairman of the County Board's Public Works Committee, says the Housing and Home Finance Agency is ready to take action recommending approval of the County's request for an advance of funds covering the cost of preliminary engineering for the proposed Grayslake - Gages Lake Interceptor and sewage treatment plant.

Thacker Engineering will be retained by the Public Works Dept. to make the preliminary engineering study. Estimated cost of the study is approximately \$6,000 and should be completed in 100 days.

The purpose of the preliminary study is to provide sufficient detail for officials of the Village of Grayslake, Gages Lake Sanitary District, and the County to discuss conditions and arrangements under which a coordinated system of sewage interception and treatment can be effected.

Break Ground For Church

By Mrs. Bernice Bernau
The First Baptist Church of Lindenhurst launched a building program in a ground breaking ceremony during the Sunday morning worship service Nov. 3.

The first unit, in a long range building program, will consist of 6000 square feet of floor space. It will be located on a three acre tract at the corner of Brook Lane and Sprucewood Lane in Lindenhurst.

The building will be constructed of masonry and will include space for an auditorium, thirteen classrooms, church office, pastor's study, kitchen and fellowship hall.

Construction will begin immediately under the supervision of the church building committee and Mr. J. W. Viger, architect, of Mt. Prospect. Rev. Joe Baker of Lake Villa is pastor.

Red Cross Observes 100th Anniversary

The United States has joined 95 other nations and territories issuing commemorative postage stamps honoring the 100th anniversary of the world-wide Red Cross movement. The 5-cent stamp, bearing a refugee ship design depicting the American Red Cross role in the Cuban prisoner exchange, was issued during the October 26-29 Red Cross centenary period thus tying in with the first international conference at Geneva in 1863 to draft plans for creating the Red Cross.

WILLIAM WIED of Forest Park was injured when a pumpkin crashed into the windshield of his car, leaving this gaping hole. The pumpkin, thrown from a passing car, first hit the hood of his car, denting it.

Play To Run J.B. At A.C.H.S. Four Nights Friday & Saturday

The PM&L's first production in its new home (formerly the Lakes Theater on Main St.), "Night Must Fall," will have its first night on Friday, November 15.

A theater party at Lorenz's Smart Country House will follow the first performance. Tickets for the play may be procured from any member of the PM&L.

The play will be shown again on Saturday, November 16, and on the following Friday and Saturday nights, November 22 and 23.

The play is a mystery drama. Randy McConahay plays the Lord Chief Justice; Grace Amendola is Mrs. Bramson; Valerie Hunley is Olivia Grayne; Wm. Truppe is Hubert Laurie; Verna Turovaara is Nurse Libby; Garnet Odden is Mrs. Terrence; Oma Lee Bevington is Dora Parks; Dan Bevington is Inspector Belsize, and Gary Richter plays Dan.

GARY RICHTER

Art Guild to Exhibit Work at P.M.&L. Theatre

The Antioch Art Guild is extending an open invitation to the public to view their works at the art gallery in the Palette, Masque & Lyre Theatre on Main Street.

The works will be displayed Nov. 15 and 16 and also the 22nd and 23rd, in conjunction with the PM&L's production of "Night Must Fall."

The guild also announces that some of their members have been invited to hang their paintings in Senator McClory's office in Washington, D. C.

The Senator is interested in furnishing his office with the works of outstanding Lake County artists.

J.B. At A.C.H.S. Friday & Saturday

"J.B.", the play being presented by the Fine Arts Department of Antioch Community High School this week-end, is more ambitious than the usual run of high school plays. "Theater at its highest level" is the comment of John Chapman of the N. Y. Daily News concerning the Pulitzer Prize-winning play.

The story concerns two of the actors in a traveling circus who have toured the cities of the world year after year, playing their roles in a play which presents the story of the sufferings of Job.

The two grow tired of their conventional roles, and decide one night to change the play to suit their own idea of how it should be played. Mr. Nickles, played by Jeff Ryan, is cast as Satan, and Mr. Zuss, played by Robert Thomley, plays God.

Others in the cast are Stan Sutherland as the First Roustabout; Mike McConahay as the Second Roustabout; Lloyd Pedersen as J. B.; Joan Tanner as Sarah; Ken Nelson as David; Linda Osterlund as Mary; Steve Smouse as Jonathan; Karen Keck as Ruth; Ainsley Brook as Rebecca; Suraya Brook as The Girl; Roberta Arndt as Mrs. Botticelli; Peggy Gregg as Mrs. Lesure; Randi Jacobsen as Mrs. Adams; Kathy Luski as Mrs. Murphy; Cheryl Den-

man as Jolly; Jerry Smouse as Boy; Ernie Westlund as Bilal; Jerry Berke as Zophar; Stan Sutherland as Eliphaz; Janet Feller as First Maid, and Julie Nissen as Second Maid.

The play will be presented Friday and Saturday nights, November 8 and 9, starting at 8 p.m. Kenneth Smouse will direct the play.

Motorist Injured By Halloween Prank

William Wied, 334 Elgin Ave., Forest Park, who was injured Halloween night when a pumpkin was thrown through the windshield of his car, has left the hospital and is expected to retain 75% vision in his injured eye.

Wied was driving east on Route 173 near Hunt Club road when "pranksters" threw a pumpkin through the windshield of his car. His face was cut, with one eye most severely damaged by glass.

Wied drove to Chase's Service Station, where the Rescue Squad was called to assist him. He was taken to Victory Memorial Hospital by the squad.

Easter Seal Society to Hold Open House Nov. 10

The public is invited to an "open house" at the Lake County Easter Seal Society Treatment Center, 1103 Greenwood Ave., Waukegan, Sunday, Nov. 10, from 2 p.m. to 5 p.m., according to Mrs. James Finerman, president of the Easter Seal Society Auxiliary which is sponsoring the open house.

Heading the open house committee is Mrs. Jean Durkin, of Waukegan, and working with her on the arrangements are Mrs. Harry Cohn, Mrs. James Galvin, Mrs. William Smith, Mrs. Hymen Porett, Mrs. John Rosburg, Miss Gloria Walker, and Miss Annette Bedrosian.

The Easter Seal Auxiliary was organized last spring to assist in the operation of the Treatment Center and to further the aims of the Easter Seal Society for Crippled Children and Adults.

The program for the open house includes a tour of the facilities and an explanation of the equipment used in

providing speech, occupational and physical therapy by the staff of trained therapists, according to Mrs. Durkin.

Furnishings in the lobby and waiting room have been provided by the Easter Seal Auxiliary which is selling special Christmas cards this year to provide funds for the Center, Mrs. Durkin explained.

Refreshments will be served during the open house.

Lose Driver License

Clerk of State Charles F. Carpenter has announced the following action by the Driver's License Division of his office:

The licenses of Frank J. Bellucci, Rt. 3, Box 236, Antioch, and Joseph H. Vandant, Rt. 3, Box 41, Antioch, have been suspended after three violations.

College Survey Shows Best Site

Sometime after the first of next year, Lake County residents will be presented with a referendum which will decide whether or not a Junior College shall be built in the county.

Booz-Allen & Hamilton, Management Consultants, made a survey of Lake County covering the feasibility of building a college here—its cost, the programs and services which should be included—an 80-page book which contains a wealth of information of interest to voters.

The survey was paid for by the Lake County Community College Association. The association is now furnishing speakers who will address any interested groups wanting information on the proposed college.

George Bury, Rt. 1, Antioch, phone 395-2967, and Fred Stahmer, 1016 Osmond Ave., Antioch, at 395-0558, are the two Antioch speakers who are available for such groups.

In the weeks before the referendum is presented, the Antioch News will attempt to cover the most important information contained in the survey.

The survey begins with the population growth in Lake County. The study has shown that the rate of growth has increased during the last three decades, increasing 18% in the 1930's, 48% in the 1940's, and 64% in the 1950's. The growth indicates the drop-off in farming land and the increase in industrial and other activities, and indicates future growth.

There is still ample land

to support continued rapid growth for many years to come. The location of Lake County, its size, and its history of past growth, all point to the probability of continued rapid growth during the coming decades. The study indicates that the county's population should be approximately 500,000 by 1975.

The county's population center has been moving westward and northward in the last years. The study indicates that the population center will soon be very close to its geographical center. These facts have been used to suggest the best site for the college, to make it readily available to the most people.

The site recommended by Booz-Allen & Hamilton would be near the intersection of Route 45 and Belvidere Road. They recommended that a site of about 200 acres be acquired, to meet projected expansion needs through the year 2000.

Open House Bids Farewell To Hoods

The Rev. and Mrs. Edmond Hood will be guests of honor at an open house at St. Ignace Church from 2 to 4 p.m. on Sunday, November 10.

The Hood family, who have made many friends in the years they have spent in Antioch, will be leaving soon for another parish. The Open House will be in the nature of a farewell party. The gathering is not confined to members of St. Ignace Church—all friends are invited.

Local Flyers Take Part In Tour

Robert Webb of Antioch and W. H. Wyatt of Fox Lake, Ill., and his daughter Karen, were among the flyers who stopped in Baytown, Texas, recently on the 15th annual Texas Air Tour.

Over 100 tourists from states throughout the nation landed at Baytown's airport and lunched with the Baytown Chamber of Commerce.

Proposed Shopping Center Submits Engineers Report

Antioch Village Trustees heard a report on possibilities for providing sewage facilities from Antioch to the proposed Shopping Center at Route 59 and Grass Lake Road last night at their regular meeting. The report was turned over to the Sewer and Water Committee for investigation.

In giving the report to the committee, Village President Merrill Cunningham said "the availability of our new sewage plant rightfully belongs to the taxpayers of the Village. While we are having our growing pains, they are not as bad as some of the nearby villages."

John W. Noerenberg, consulting engineer for Consoer, Townsend and Associates and Sam Esposito of Gordon Construction Company, presented the report.

Hootenanny Program Continues To Grow

The Hootenanny planned for the benefit of the Countryside Hospital on Friday, Nov. 29, at the Antioch High School Auditorium is shaping up to be the top Lake Region event of the year. So far, WGN's Mc Jack Taylor reports that 1 1/2 hours of top radio, television and recording talent have volunteered their services.

This is 1 1/2 hours of straight entertainment not counting encores and amateur local talent. Additional top entertainment will be signing up before the program is completed.

A smorgasbord is also being planned for the entertainers at Joe & Helen's Little Acres on Loon Lake. Persons who wish to attend this event must make reservations in advance because of the limited space.

Reservations will be accepted on a first come first served basis by Mrs. Norman E. James, EL 6-8400 or Hospital Fund Headquarters, EL 6-2621, 100 South Milwaukee Ave., Lake Villa.

Sales Tax Collections For June, 1963

Springfield, Ill., Nov. 4—City sales taxes collected in July on June tax liability grossed \$6,260,422 and county sales taxes for the same period grossed \$422,829, the Illinois Department of Revenue reported today.

Collections from 1,169 cities and villages and 70 counties represent a tax of one-half per cent on retail sales in municipalities and parts of counties not in municipalities. Municipal Retailers' Occupation Tax and Municipal Service Occupation Tax are now reported by the department in one combined figure. Corresponding county taxes are now combined.

Antioch collected \$5,366.71 in June, 1963. (This amount is less the 4% administration expense.)

Lake County collected \$20,191.45, with the 4% charge deducted.

sulting engineer for Consoer, Townsend and Associates and Sam Esposito of Gordon Construction Company, presented the report.

The report included a discussion of facilities and estimated cost of construction, operation and maintenance. There were three engineering possibilities for obtaining sewage disposal facilities, the report said.

The least expensive of the three, the report went on, was to hook up to the Antioch system. The engineering firm estimated the sewage flow to be 50,000 gallons per day, and minimum sewer capacities adequate to handle double this expected amount would be provided. The type of sewage would be normal domestic waste the report stated.

The 60 unit 31 acre pumping center proposed to come up for voting at the next meeting of the County Board.

In other action the board heard a letter of appreciation from Warren Heintz of Oakwood Knolls. The letter thanked the village for the removal of tree branches and the placement of a culvert and gravel at the entrance of Oakwood Knolls.

The Antioch Fire Department received approval for the purchase of 500 feet of fire hose. The cost of the hose was stated at \$2.03 per foot.

Applied Engineering Company of Mount Prospect was retained for winter snow removal purposes. The move was to meet State requirements for the Motor Fuel Tax fund. Villages are required to have an authorized engineer in order to apply for motor fuel tax money.

Walker Curnes requested that the village pay for installing 999 feet of sewer line to his property on Anita street south of Depot street. The purpose was to make two or three lots available for industrial development.

"This consideration was not given to any of the other industrial sites," Mayor Cunningham said, "and no exceptions could be made at this time."

Turning to other matters, village attorney Edward Jacobs presented a complaint from Don Pittman motors against the John Teresi, Chevrolet-Goldsmobile firm, both of Main street, Antioch.

The complaint stated that the new sign advertising Teresi's firm was set out in the street so as to block the view of Pittman's own sign further down the street. The matter was turned over to trustee Irv Walsh for investigation.

Skeleton Found Near Antioch

The remains of an unidentified body was found this week on the southeast side of Silver Lake northwest of Antioch. George Gaetner, a nearby resident came upon the badly decomposed body at the bottom of a roadbed south of the Soo Line tracks 450 feet southeast of the highway F crossing.

Authorities took the skeleton to the Wisconsin state crime laboratory in Madison for identification. Coroner Edward Wavro estimated the person had been dead two or three months.

Clothing on the bones indicated the body was that of a man. A bottle and a set of dentures were sent to Madison with the remains.

AREA CHAIRMAN HARRY SCHIPPERS, SR. of Round Lake Beach, Mrs. Raymond Tracy, President of the Round Lake Beach Women's Auxiliary of the Men's Club, and Raymond Tracy, President of the Round Lake Beach Men's Club, present a check for \$150.00 to Mrs. B. J. Rundgren, Chairman of the Fund-Raising Committee of Countryside Hospital. The money was raised through several affairs held to raise money for the fund.

EDITORIAL

No More Jail Sentences

More and more judges around the country are abandoning conventional punishments of teenagers who come before them in favor of "punishments that fit the crime".

Sending the young to jail only produces more criminals to fill already overcrowded jails, these jurists believe. So the judges impose a fine that he thinks will be a real deterrent to the youngsters appearing before him again. Punishments range from spankings to scrubbing floors in city halls to picking up beer cans along highways.

The youth is usually presented with a choice of accepting the punishment the judge decrees, or a stiff fine or jail sentence. Few return a second time. Obviously, there is nothing like hard work, perhaps undoing the harm he has done, to make a teenager realize the error of his ways.

Sounds like a good idea. Let the youngster who breaks windows in schools scrub the halls, while the janitor who would normally do the job replaces the window. That's simple cause and effect. Any youngster can see the justice of it.

Let the youngster caught drinking clean up all the empty beer cans and bottles along the roadside. Or wash down squad cars. Any job that needs doing.

Idleness and boredom are probably the chief causes of delinquency. A youngster who has spent hours at hard physical work isn't going to be too enthusiastic about running the risk of having to do more work.

Letters to the Editor

Dear Editor:

No doubt you have had many calls and letters in regard to the behavior of our youngsters on that special Trick or Treat night.

I would personally like to express my views of the behavior of the children in the Lindenhurst area where I live.

There were numerous amounts of Trick-Treaters who came to my door, many dressed quite fashionably for the occasion, others not quite so, but all so excited, carrying their little (some big) bags and all with a happy smile. Upon receiving their goodies, some would say, "Thank you, lady," others, "Oh boy, look what I got!" and still some just smiled and walked away. All to the house next door. Not one can I say had sneaked, made comments (except for good ones) and all showed contentment.

I just have to compliment all these youngsters, and especially their mothers for their fine behavior, because without that loving guidance they must have received, things might have been quite different.

Sincerely,

T. B.

(Submitted by Elsie Toman)

I love my children, I'm telling you

And I know there's a lot of work to do

In Scouts and Brownies and PTA

But frankly, I just can't get away.

At the end of the day, I'm tired you know.

Just want to go out and see a show.

Or watch TV or play some bridge.

Just too darn tired to mess with kids.

And speaking of kids, you know that crime

Is on the increase all the time?

They ought to do something, maybe at school

To teach the kids to respect the rule.

Or perhaps the church should do more good

And teach them to act the way they should.

I can't understand why they act that way.

Something's wrong somewhere, I venture to say.

I send my kids to Scouts and such

But it really doesn't help too much.

They don't appreciate good things at all.

I used to be a Scout when I was small.

They need more volunteers you say?

Must be plenty around, must be some way

To interest parents in worthwhile work.

That's something no one has a right to shirk.

Well, I hope they find someone, I'm telling you.

My kids need a leader to look up to.

They need someone to direct their play.

It's really a shame, I can't get away.

To the Editor:

Whoever wrote the editorial "Two Little Guys" (News-Sun, Oct. 30) has a vitriolic pen and a pin point view of humanity.

"Little Guys," collectively, defend our shores, keep the machinery of this complex civilization (so called) of our going and pay the major portion of governmental cost. (There are lots more "little guys" in Lake County who will be assessed the .05% tax the County Board has agreed to levy on all real property in Lake County to guarantee the rent to the Building Commission for the first complex of the "free" new court house, than there are "big guys" who intend to see that it is built.

It was the "little guys" in Chicago who kept the school rooms open and the educational process moving while the "big guy" walked out.

It is the "little guys" in Viet Nam who are fighting mud, filth, corruption and despair while the "big guys" misdirect the operation from the safety of the Pentagon.

It was the "little guys" who were stopped on the Auto-

Courthouse Notebook

BY LOU BURKIN

And how many shaves have you had on your new stainless steel razor blades, men?

The stainless steel blade is the new status symbol and some observers are studying the shaving habits of the American male voter to pre-determine how they are apt to vote in the Presidential election.

The observers profess the belief that the Goldwater conservatives will cling to the old-fashioned electric shaver while those voters

with somewhat more liberal tendencies will be inclined to try out the now stainless steel blades.

And so much for today's lesson in labels, slogans, and symbols.

One of the more distressing aspects of political life is the somewhat tasteless speculation about a successor to a political figure who passes away; the speculation sometimes overshadowing the funeral oration.

It is almost as though the speculators were paraphrasing the monarchical cry, "The King is Dead; Long Live the King."

The democratic version of this traditional trumpeting, of course, is "The Leader is dead, let's pick a new one quick."

The unseemly guesswork about a successor to the late State Rep. Jack E. Baird almost drowned out the eulogies expressed by people in all walks of life who had come in contact with him during his long career of public service.

We liked Jack Baird personally, respected his ability, and will miss his counsel and advice.

It has been suggested that Gov. Otto Kerner could call a special election to fill the vacancy in the Lake County Legislative team if a special session of the legislature is called, but the chance of a special election is so remote as to be meaningless.

Gov. Kerner is well aware that a special election pitting one Republican against one Democrat in Lake County would almost certainly provide the GOP with another vote in the House of Representatives.

It is not mandatory that the seat be filled before the next general election so even if a special session is called, (Continued on Page 3)

Your Governor Reports

by OTTO KERNER

New methods, new discoveries and new inventions in recent years have caused a technological revolution—a revolution which will mean a better Illinois and a better United States.

But the changes in our economy have been accompanied by growing pains. In an increasing number of cases, for instance, automation has erased the need for the single labor skill held by many individuals, throwing out of jobs persons who had spent years working hard to support their families.

at home in their brand new house on Circle Drive. . . . I'm waiting for the first poor indiginate soul to try purchasing a ticket from the lovely mannequin, in the booth at the P. M. & L. Theater. . . . Mum seems to be the words on both potential shopping centers; could be the lull before the storm, and it will pay to keep our eyes on both promoters. . . . O.K. Harry Ducky, so I don't know too much about the birds, but boy, am I up on the bees!

DID YOU HEAR: Newspapermen often use the editorial "we" so the readers will think there are too many of them to lick!

We all thank you, Annie Mae

These people, who want only the opportunity to earn a living for themselves and their families, often cannot afford to wait for the long-range benefits of automation.

One of the best answers to the problem has been the Federal Manpower Development and Training Act, which allows the state of Illinois to train or re-train persons in skills that are needed in the state. There are many jobs available in Illinois. Most of these jobs require some sort of training. The new manpower training program allows us to provide that training.

An estimated 3,740 persons have received or are currently receiving training under this program, in fields ranging from shirt pressing to food handling, tool and die making, auto body repair and electronic lab technician. Currently we have 32 projects under way in the Chicago area and 23 others Downstate.

Almost 1,000 of the program's graduates already have obtained jobs. The enthusiastic response has resulted in Illinois using all the federal money that was allotted to it, in addition to substantial other funds that

Rain on Halloween cut down on the number of trick-or-treaters, and must have discouraged some of the older ones who seem to get joy from smashing things up, too. We saw little evidence of vandalism in our neighborhood, at least.

It's hard to understand, though, what possible twisted pleasure there could be in acts like the one which injured a young man driving on Route 173. A pumpkin was thrown through the windshield of his car by someone in a passing car. One eye was seriously injured by glass.

It could have been worse, of course. He could have lost his life.

Is the person who performs such an act so lacking in imagination that he doesn't realize the possibly terrible consequences of his act? He had no idea who the occupants of the car might be. He might injure or kill several children. Members of his own family might be in the car.

It isn't hard to understand the adventurous thrill young men get from stealthily tipping over an outhouse—particularly on the property of someone they thoroughly dislike—putting someone's garbage can on top of a house, or like acts that they know are going to annoy without actually damaging property. The "criminals" have the thrill of running the risk of being caught and have to use their brains and running ability to escape capture. This is sporting. Many householders enjoy the battle of wits nearly as much as the kids.

There's something despicable about cowardly throwing a pumpkin through the windshield of a moving car, while your own car speeds away without even pausing to see what happens. It would take a vicious sense of humor to

get pleasure from such on act. It has no connection with the gay spookiness and harmless devilry of Halloween.

Toll Earnings Go Up

HINSDALE, Ill.—Preliminary traffic revenue of the Illinois Tollway for October of this year was \$2,482,146 as compared to \$2,305,435 for the same month a year ago, an increase of \$176,711 or 7.7%. It was announced Monday by A. H. Knauerhaze, executive director of the Illinois State Toll Highway commission.

Revenue figures, subject to audit adjustment, indicate traffic revenues of \$22,399,001 for the first ten months of 1963 as compared with \$23,062,179 for the same period of 1962 a decrease of \$663,178 or 2.9%.

Average daily toll revenue for October, 1963, was \$80,069 as compared to \$74,369 for the same month a year ago. Average daily toll revenue for the first ten months of 1963 was \$73,681 as compared to \$75,862 for the same period in 1962.

"Why do you keep going out with that girl?" asked Dan. "She has absolutely no sense of humor."

"Man," replied Sam, "you can have a mighty good time without laughing."

If fallout shelters are such an immediate necessity, how come they give you 24 months to pay.

Talk about the land of opportunity! Do you realize that every child born in America today has \$432 owed it by other countries?

LOOKING FOR A GOOD USED CAR? LOOK FOR THE "VALUE-RATED" SIGN AT YOUR OLDS DEALER'S!

Electric heat rates are now 50% lower than in 1958!

For this and many other reasons, the only really modern heat makes new converts every day.

The rapid decrease in electric heat rates is wonderful news, of course—but the rapid increase of praise and enthusiasm for electric heat should be the most impressive fact of all to anyone who plans to build, buy, or modernize a home during the next few years.

The simple truth is that no other system at any price comes close to giving you all the benefits of electric heat.

The best way for you to be convinced about the value of electric heat is to talk to some of the more than 7,000 Chicagoland families who now enjoy it. They know they get their money's worth from electric heat, just as you will.

Clean, Comfortable, Convenient

Let these 7,000 families tell you how much their cleaning and decorating bills have been reduced because electric heat is clean, flameless, with no burning to create dirt, dust, or fumes.

They'll tell you there's nothing like the convenience of the room-by-room control you get only with electric heat. Mom in the kitchen, Dad in his shower, Baby playing on the floor—each of them can have a custom-made temperature. Comfort? You never had anything like it—and obviously, such controls can help you save heating money, too.

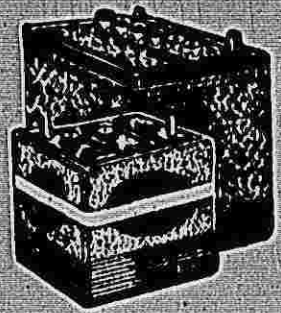

There are no drafts, no chilly spots, no "dried-out" air to steal moisture from your skin, no noise, no sudden blasts of blowing air. There's just silent, radiant, invisible, even, clean, heartfelt COMFORT—with electric heat.

Before you build, buy, or modernize, be sure you have complete, reliable information about electric heat. Call your nearest Public Service Company office.

Get the facts. You'll bless the day you did.

Get your money's worth with ELECTRIC HEAT ... it's flameless

Channel Lake News

By Louise Gutewiki
395-1317

The Channel Lake School PTA will sponsor a Fun Fair Bazaar, Friday and Saturday, Nov. 15 and 16, at the Channel Lake School gym. It will start at 9:30 p.m. and run until 9 p.m. It will feature games, prizes, homemade articles and refreshments.

The Channel Lake Community Club will hold its regular meeting Tuesday at 7:30 p.m. in the school gym. The club meets on the second Tuesday of every month.

Mrs. Marguerite Strattan returned Thursday evening from a 10 day visit at Merrill, Wis., where she cared for her three granddaughters, while her daughter, Mrs. Pat Hruby, was in the hospital. Mrs. Strattan and family and Mrs. Hruby and family are former residents of Channel Lake.

Mr. and Mrs. Frank Taylor were weekend guests of Mrs. Marguerite Strattan at her home on Naber Ave. in Antioch, where they helped celebrate David Strattan's 16th birthday.

The students of Channel Lake grade school were entertained Wednesday afternoon by the historical film called "Friendship 7." The film was a full hour showing of Col. John Glenn's famous trip into orbit. The parents were invited to the film showing held in the school gym.

The first basketball game of the season is to be played against Fremont grade school Tuesday, Nov. 20, at 3:30 p.m. in the school gym.

Open House At Central Hi

Monday, November 11, has been selected as the "Open House" meeting of the Central Community Club of Salem Central High School. All parents are invited to meet the teachers, guidance counselors, and personnel of the high school. Meeting time is 7 o'clock. Plans for the proposed addition to the high school will be on display as they were for the meeting of the community club. Although these plans are tentative, they are worth while reviewing.

Officers of the Community Club will be on hand to welcome new members to the club, and annual dues will be accepted from those who wish to join. Proceeds are used for music, science, cheerleading clinics held each summer.

Refreshments will be served by a committee of the Community Club. Everyone is invited to the "Open House."

Homecoming Queen

Dale Nork was chosen by vote of the student body to be queen of the homecoming at Central last Friday night. Her attendants included the runner-up, Diane Ferris, and members of each class. Dale is a senior at Salem and has been active in various activities. Diane is a cheerleader and has been on the A Squad for two years.

A fanatic is someone who is highly enthusiastic about something in which you are not even remotely interested.

Plan Storage To Suit Needs

URBANA—Planning a new house offers an ideal opportunity to tailor storage areas to your family's needs. According to University of Illinois extension housing specialist Glenda Pifer, "good" storage space is both adequate and accessible.

For planning your storage areas, she suggests this checklist:

What kinds of items do you plan to store? How many? Do you need to store all of them? How much do these items require?

Will the items be at the point of first use? Will they be easy to see, reach and grasp? Will space be flexible to permit changes in storage?

Miss Pifer points out that one good reference on designing storage areas is University of Illinois College of Agriculture bulletin 557, "Space Design for Household Storage." This 80-page publication contains illustrated information about storage units for every kind of household article and clothing. The publication, available from the Office of In-

formation, 112 Mumford Hall, University of Illinois, Urbana, costs \$1.25. Illinois residents should add 6 cents for sales tax.

If you must talk about your troubles don't bore your friends with them... tell them to your enemies... they will be delighted to hear about them.

THE ORDINARY FEMALE

By June Albright

I've washed my face with gentle soap
And used the cream that's right—
To give my skin the baby-look.
And keep it fresh and bright!

I've brushed my teeth and rinsed my mouth.
To keep my kisses sweet;
And bathed with soaps, that will protect—
Used a deodorant neat.

My hair's shampooed—it's squeaking clean.
I've rinsed and curled and sprayed.
And now that I'm a blond, I'll see,
If there's more fun today?

My makeup is sensational.
It will not streak or cake.
My hands are soft, and smooth and white—
My dish soap gave the break.

My bra is one that lets me breathe—
My girdle holds me in.
My legs are smooth, without a hair,
Where'er my razor's been.

I've watched my diet every day,
Now all my dresses zip;
And with the new look called the "shift"
I'm slim and trim and have no hips.

My stockings sheer—are a special kind,
So I can work or play—
Yet keep my legs from getting tired,
As others did each day.

Without TV I'd never known just what to use or wear—
My life would be just dull routine,
And no one else would care.

There's one thing though, that bothers me,
Before I joined the ranks
My life was simple and care-free—
With money in the bank!

The Illinois Eye Bank reports that all major religious faiths have approved the donation of eyes after death for the sight restoration corneal transplant surgery.

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa 356-5372

The Royal Neighbors of Cedar Lake Camp will hold their annual Thanksgiving pot-luck dinner, Tuesday, Nov. 12, at 6:30 p.m. at the Lake Villa village hall. Turkey will be furnished by the Camp. Neighbors are to bring a dish to pass.

The Royal Neighbors officers club will hold their next meeting Wednesday, Nov. 13, at 12:30 noon at the home of Mrs. Marie Hamlin. A dessert luncheon will be served by hostesses, Mrs. Gertrude Malecka and Mrs. Winifred Seefeldt.

American Legion Auxiliary
The Lake Villa American Legion Auxiliary will meet at the home of Mrs. Elmer Maroiske in Venetian Village Thursday, Nov. 7, at 8 p.m. President Mrs. Fred Bartlett, Sr., will preside.

Firemen's Party
The Lake Villa firemen entertained the people who worked at their Carnival in August. A buffet luncheon was served Friday night at the Lake Villa fire station. About 75 persons attended.

Baptism
Mr. and Mrs. Leif Larson of Antioch had their son baptized at St. Peter's church in Antioch Sunday. He was named Keith Robert. He is the grandson of Mr. and Mrs. Frank Slazes, Sr. Sponsors were Dr. Robert Paulette and Mrs. Lou Crawford.

Celebrates 75th Birthday
Mrs. Alice Walker was surprised at a party recently in observance of her 75th birthday at the home of her daughter, Mrs. Richard Gruetzmaier, at Mount Prospect, Ill. About 55 relatives and members of the Martha Circle of the Lake Villa Methodist church attended. We wish Mrs. Walker many more happy birthdays.

Veterans Day Services
The public is invited to attend the Veterans Day program to be held at Lehmann Park Sunday, November 10, at 2 p.m. The Park is located on Cedar Ave., Lake Villa. It is being sponsored by the

Lake Villa VFW and American Legion Posts. Services and Rifle Volley will be held.

M. Y. F. Items
The Junior Methodist Fellowship Group of the Lake Villa Methodist church will meet at the church Friday, Nov. 8, from 7 p.m. till 9 p.m. Games and refreshments will be enjoyed by all.

Martha Circle

Treasure Chest
Come and peek into the chest of treasures at the Lake Villa Methodist church, Friday, Nov. 15th. A donation will be needed for you to peek into their treasure chest. You will see beautiful quilts, patchwork quilts and appliqued ones made by our mothers and grandmothers. A luncheon will be served at 12:30 p.m., or come in the evening and hear a lecture and enjoy coffee and cake, at 8 p.m.

Visitors
Mr. and Mrs. Warren Moyle of Waukesha, Wis., were visitors recently at the home of Mr. and Mrs. Robert Kammein.

Mrs. Fred Bartlett, Jr. and daughter were visitors Saturday at the home of Mr. and Mrs. Stanley Hollis of Waukegan.

Mr. and Mrs. Jack Koster and Ellen Anderson of Racine, Wis., were visitors Sunday at the home of Mr. and Mrs. Robert Kammein.

Mr. and Mrs. George Walkoff of North Chicago were visitors recently at the home of Mr. and Mrs. Fred Bartlett, Sr.

Mrs. Earl Deppe and daughter of Genoa City, Wis., were visitors Thursday at the home of Mr. and Mrs. Robert Kammein.

Illness
Mrs. Robert Kammein has been ill at her home for a couple of weeks.

Arley Armstrong, son of Mr. and Mrs. Arney Armstrong is a patient at Victory Memorial hospital. He is recovering nicely.

Attend Wedding
Mr. and Mrs. Jacob Fish and Mrs. William Fish attended the wedding Saturday of Miss Judy Fish, daughter of Mr. and Mrs. Howard Fish of Algonquin and granddaughter

Low Blood Pressure? Congratulations!

The diagnosis of low blood pressure (hypotension) is a frequent and most often needless cause for alarm. Its symptoms are a bit dramatic and consequently frightening, but unlike high blood pressure, which contributes to more than 500,000 deaths annually in the United States, low blood pressure is not a cause of death.

Here is a simple explanation of what causes low blood pressure—and what it causes.

Nature provides a complex system for maintaining an adequate supply of blood to all our vital organs. There are "telegraph stations"—pressure sensitive endings called barostats—in our large arteries that report our changing needs. Accordingly, blood pressure is increased as we swing into action, decreased when we rest and are calm.

A victim of high blood pressure can be compared to a car with the carburetor adjusted so that the motor idles at a high speed. If the motor ran constantly, as our

Bruce Edward, son of Mr. and Mrs. Edward Young, were held at the Sunday morning service.

The Chicago Women's Fellowship meeting will be held at Plymouth Place Friday, Nov. 8. This will be an all day meeting. Call Mrs. William Paulsen for your reservations which must be in by Wednesday, Nov. 6.

THE ANTIOCH NEWS

THURSDAY, NOVEMBER 7, 1963

hearts must do, and if the rate were slowly increased, we could expect the car to wear out quickly.

People whose blood pressure is normally low correspond to a car whose carburetor is set to idle at a very low speed when no effort is being demanded. While this safeguards and prolongs the life of the mechanism—in both people and cars—there are accompanying results that appear to be serious but are not.

Motors that idle slowly are often hard to start—and so are people. Low blood pressure sufferers find that if they plunge out of bed, they may pick themselves up from the floor. If they stand up or raise their heads abruptly, they are apt to become dizzy or actually faint. Emotional shocks—and even just standing still for a prolonged period—can have the same unpleasant result.

Certainly anyone subject to fainting spells and dizziness should consult his doctor. These can be symptoms of other conditions quite serious indeed. But after you've had a thorough examination, stop worrying!

Proper rest, a good diet and, most of all, a sensible program of exercise to promote good muscle tone and enhance circulation should keep symptoms at a minimum. Instead of worrying about the future, start planning for it—a hypotensive person has a far better chance than the rest of us of reaching 90 and being spry enough to enjoy it.

The quickest way for a child to get attention in school these days is for him to bend his IBM card.

The kind of comfort you'd expect in a large interior. Come on down and sit in it.

The kind of handling ease you'd expect in a smaller car. Come on down and drive it.

Only a car that looks as good as this could come between Chevrolet and Chevy II. Come on down and stare at it.

New Chevelle Malibu Sport Coupe

Now—Chevy spirit in a new kind of car!

We built this one to do a lot more than just stand around looking beautiful. Held its weight down in the 3,000-pound range. Then built four lusty engines for it—two sixes and two V8's—with output all the way up to 220 horses!

And if that combination of modest weight and potent power makes you think this is one frisky car, you've got the right idea.

You've also got a car with lots of room for legs, hips, shoulders, hats and luggage. Yet its 115-inch wheelbase keeps it highly maneuverable in traffic and very easy to park.

With its Full Coil suspension and snug insulation, it's got a ride that reminds you of the Jet-smooth kind the

way it muffles noise and cushions you from bumps.

And the fine hand of Body by Fisher craftsmen shows up beneath this one's suave good looks, too. Just listen to the solid *thunk* of a door closing or look at the smooth metalwork. You'll see what we mean.

Sound good so far? There's more. Like the fact that Chevelle comes in three series with eleven models—convertibles, sport coupes, sedans, wagons, even Super Sport models with front bucket seats. Like the fact that (and see if this isn't one of the nicest surprises of all) the new Chevelle comes at an easy-to-take price!

Like to hear more? The listening's wonderful at your Chevrolet dealer's—and so's the driving.

*Optional at extra cost

Courthouse Notebook....

(Continued from page 2)
there is little likelihood of a special election.

There comes a time in the normal course of events when you have to accept the fact that you have lost the fight and further resistance, while possibly heroic, is neither wise nor admirable. This would appear to be the case with the new county courthouse.

Opponents of the courthouse proposal have had their day in court, they have had their day on the floor of the county board, and it is apparent that they have lost their fight.

It would seem reasonable that they now turn their attention to insuring that the people of Lake County get their full dollar value in the actual construction.

Further attempts to block construction can serve no useful purpose, but insistence on sound, economical construction can be a valuable service to the county.

An imposing list of civic and political leaders is included among the committee members for the recognition dinner for State Senator Robert Coulson at the Illinois Beach State Park Lodge (and there's a catchy name for you) Nov. 16, and not the least of these is former Cong. Marguerite Stitt Church, who will be the principal cheerleader at the dinner.

Announcements on the dinner continue to hold forth the suggestion that Sen. Coulson will reveal plans for his future which will carry an element of surprise, a suggestion that has no doubt contributed to the demand for tickets.

And while one wonders just what surprise announcement Sen. Coulson is preparing for the diners, he can also wonder what would have happened if Mrs. Church had appeared at a Coulson function during the Congressional primary campaign in 1962.

Antioch Chamber to Rent Decorations

The Antioch Chamber of Commerce held its regular general meeting Monday night at the Antioch Scout House. The ten members present learned that the coming Christmas Fair has aroused the interest of many merchants and some had to be turned down because of the lack of enough booth space.

The Chamber voted to rent the decorations for the community for the Christmas season from the Outdoor Decorations Company of Wilmette, Illinois. The cost will be \$1085 for the first year, \$400 for the second year and \$400 for the third year.

John Dallman, chairman of the decoration committee also indicated that the decorations can be changed for a different type for future years.

The committee also plans to have Santa Claus in every Chamber member's store at some time during the holiday season. A schedule of times and places will be released at a later date.

John Romer read a letter from a Chicago firm requesting information about the availability of industrial buildings in and around Antioch.

A meeting of the Chamber Board of Directors was called for Tuesday, Nov. 12, at the State Bank of Antioch.

Billy Goetz Joins Insurance Company

William "Billy" Goetz, of Route 1, Antioch, has been appointed a special representative of the Michigan Life Insurance Co.

Goetz won his first wrestling match at the age of 13, under the tutelage of Lou Talaber, then the world's middleweight champion. Goetz is known professionally as "The Man of a Thousand Holds." After service in the U. S. Army, he won the title of World's Junior Heavyweight and held this until 1950.

A four-year apprenticeship program for automotive mechanics and body and fender repairmen in the Illinois Department of Public Works. This project, adopted in cooperation with the International Association of Machinists, is the first of its type ever adopted by a state government.

Thiemann Memorial To Be Dedicated

The platform at the corner of Orchard Street and Broadway will officially be dedicated as a memorial Monday, November 11, at 10:45 a.m. in a ceremony sponsored by the Antioch American Legion Post 748. The site will be dedicated to the memory of William C. Thiemann, who died October 31, 1962.

A bronze plaque, reading "In Memory of W. C. Thiemann," will be placed at the site during the ceremony.

The concrete platform once served as the base for the old brick water tower. When the water tower was replaced years ago, the corner became a gathering place for various patriotic programs, band concerts and other civic affairs.

During the summer, the site was redecorated with stone and a new concrete floor. The old cannon resting there was repainted and the corner "dressed up." The work was done at the expense of the William C. Thiemann estate.

Attending the program in honor of the occasion will be members of the Village Board, Fire Department, V.F.W., Legion and their Auxiliaries. Following the ceremony a lunch will be served at the Legion Home.

The Rev. Edmund Hood will give the opening prayer, Rev. Donald Cobb, Veterans Day address and the closing prayer by Rev. Fr. Alfred J. Henderson.

Tollway Revenues Down In September

HAUNSDALE, Ill. — Preliminary traffic revenue of the Illinois Tollway for September of this year was \$2,382,146 as compared to \$2,594,712 for the same month a year ago, a decrease of \$212,566 or 8.2%. It was announced today (Friday) by Al H. Knauerhaze, executive director of the Illinois State Toll Highway Commission.

Revenue figures, subject to audit adjustment indicate traffic revenues of \$19,907,320 for the first nine months of 1963 as compared with \$20,756,745 for the same period of 1962 a decrease of \$849,425 or 4.1%.

A young woman reports she is putting all her money in taxes because it's the only thing sure to go up.

Traffic Problem

There has been a lot of profound thinking done relative to what man may do when and if he makes a landing on the moon, or on some other planet.

This is all very fine and if a person is going to travel to the moon or become a space explorer, someone is going to have to put in a lot of thought on the subject. No one will disagree with that.

We hope, however, that some of the big brains will find it rewarding to devote attention to one of our biggest terrestrial problems — traffic.

How are we to transport goods and people in dense population areas — say 25 years from now?

The automobile industry and the highway builders can increase the output of their products but left to themselves they will never be in balance. The car makers can step up their production but the cars have to have something to run on and there is no doubt but that building cars is a faster process than building highways.

So it would appear that eventually a saturation point will be reached and traffic will move so slowly that we could reach out destinations in less time if we got out and walked.

Perhaps somewhere there is a brain more interested in earth's problems than those of the solar system that will endeavor to meet the need of getting ourselves and our goods to and from places with ease and convenience and at a reasonably swift pace.

Something new in transport is needed, something that will interest and grip the public's imagination, and that will give them a service they cannot compete with, with their own means of transportation.

Better to risk wrinkles in your garments than dents in your car. The Institute for Safer Living warns that the growing practice of hanging suits, dresses and other garments in the car may cause accidents if they block rear window. Hang them, so that they do not obstruct vital areas of vision.

A plump lady pulled into a service station. "My hands are so dirty they are about to pop," she said as she rushed to the ladies' room.

Xmas Club Breaks Another Record

More than 14 million Christmas Club members will receive checks totaling \$1,659,430,000 when the Clubs are paid off in November 1963 by some 9300 banks and savings institutions. This announcement was made by Edward F. Dorset, President of Christmas Club a Corporation.

"This is a welcome forecast of good business for local merchants. With such an army of thrifty citizens contributing to the wealth of the nation, it is evident that the American people have confidence in the strength of our economy," Mr. Dorset said.

For a full 12 years Christmas Club a Corporation surveys have shown Club dis-

100,000 MILES AT OVER 105 MPH!

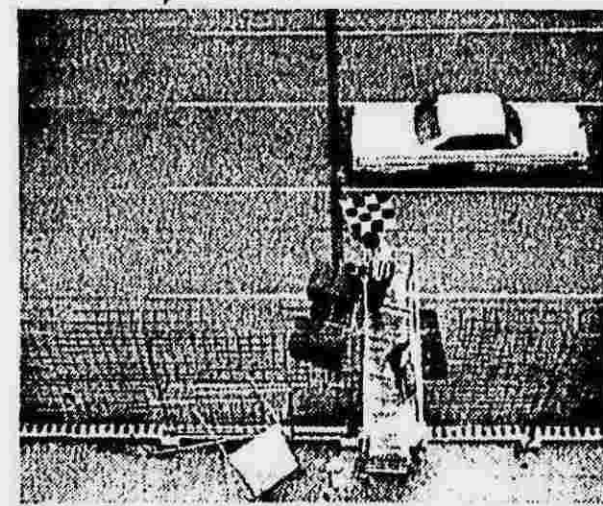

Comet Durability Run: toughest challenge of automotive stamina ever faced!

These Comets drove day and night for 100,000 miles. Average speed of the lead car—over 105 mph—includes time for refueling and maintenance.

On Sept. 21, we set out to test the stamina and rugged construction of a specially equipped and prepared team of 1964 Comets at Daytona, Fla.

During this challenging event, these Comets wrote the record book, set over 100 world records*. Many were once held by famous foreign cars.

WHAT THIS MEANS TO THE NEW-CAR BUYER. This around-the-clock Durability Run was the most rugged test ever faced by a new car. These Comets proved their stamina and durability beyond question. And the same skills and engineering excellence that made Comet's performance possible are yours in every '64 Comet. For this is a hot and hefty new kind of Comet—newly styled, newly designed, newly engineered. It's bigger, bolder looking... with a solid, big-car ride. Try one—at your Mercury dealer's.

Topics for Today's Women

Wedding at St. Mark's

By Mrs. Bernice Bernau
Mr. and Mrs. Julius C. DeSomer were married Saturday, Nov. 2, in a double ring ceremony by Pastor Harold L. Nelson of St. Mark Lutheran Church, in the parlor of their home at 203 S. Briar Lane. Matron of honor was Mrs. Warren Frontzak and best man was John Slove.

Witnessing the ceremony were Wayne Kavinsky and Mr. and Mrs. Robert (Carol) Campus, Mrs. DeSomer's son and daughter; Charles and Cindy Campus, grandchildren; Carol and Greg DeSomer, children of Mr. DeSomer; Mr. and Mrs. Heinemann, Mr. and Mrs. Wilgus, Mrs. Jane Parker; Mr. and Mrs. L. DeBrook, Mr. and Mrs. E. DeSomer and Mr. and Mrs. W. Willis. About 30 more friends and relatives attended a reception for them that evening in their home.

Mrs. DeSomer, the former Mrs. Margaret Kavinsky, wore a street length dress of light beige silk. Her hat, shoes and purse were brown. She wore a corsage of orange baby mums.

Mrs. Frontzak also wore a street length dress of dark beige acetate nylon and lace, with brown shoes and hat. Her corsage was the same as the bride's, orange baby mums.

Mr. DeSomer is bus driver and custodian for the B. J. Hooper School in Lindenhurst.

Announce Engagement

LILLIAN SCHMIDT

Mr. and Mrs. Henry Schmidt of Channel Lake announce the engagement of their daughter, Lillian, to Mr. Edward Young, Jr., son of Mr. and Mrs. Edward Young of Gillespie, Illinois. The wedding is planned for December 28.

Revisits Old Home on Trip

(By Elsie Toman)

Mr. and Mrs. Robert E. McAllister, Town Line Road, recently returned from a visit to St. Ignace, Michigan, where Mr. McAllister spent two years of his childhood. Mr. McAllister's father, the Rev. David McAllister, was pastor of the Presbyterian church in St. Ignace from 1903-1905. They attended services at the church, and when the pastor announced their presence, Mr. McAllister was surprised to find three people in the congregation who remembered his father and family. Their trip took in many of the tourist attractions of Michigan and nearby spots of interest.

Mr. and Mrs. McAllister have lived in this area for twelve years, coming here from Oak Park. The couple celebrated their 36th wedding anniversary on Oct. 22.

CHURCH PLANS FOR THANKSGIVING SERVICE

The annual Thanksgiving Day Service in First Church of Christ, Scientist, Antioch, will be held Thursday, November 28, 1963, 11:00 A.M. in the church edifice, 955 Victoria St.

All are invited to attend.

Missionaries From Viet Nam To Speak

The Rev. and Mrs. Ralph Haupers, missionaries from Viet Nam, will be the guest speakers at four services of the Independent Fundamental Church at Indian Hill Chapel on Grub Hill Road next Sunday, November 10. The Haupers will speak at the Sunday School meeting at 9:30 a.m., the morning service at 11 a.m., the Young People's service at 6 p.m. and the evening service at 7 p.m.

Home Economics Unit Meeting

"Chinaware, Glassware and Table Settings" will be the subject under discussion when members and guests of Home Economics Extension Units from throughout the county meet at the Fairgrounds Auditorium in Grayslake for their November meeting. The Gurnee Evening Unit will meet Wednesday, Nov. 13, at 7:45 p.m. Mrs. Helen Volk, Home Adviser, will give the lesson and show colored slides.

Party On 25th Anniversary

Mr. and Mrs. Charles Geist of R.R. 1, Antioch, marked their 25th wedding anniversary Oct. 19 with a Mass at their former parish, Immaculate Conception in Chicago, followed by a dinner for 150 guests.

That same evening they had another party at the VFW home in Lake Villa for another 75 of their friends. The Geists have had their home at Grass Lake since 1948 and have been permanent residents there since June, 1955.

They have three daughters, Mary Lou, a PE and History teacher at Carmel High School for Girls in Mundelein, Ill., Lynne, a freshman at ACHS, and Lois, who is in second grade at St. Peter's. They also have two sons, Les, a freshman at Western Illinois University, majoring in accounting, and Chuckie, who is in fifth grade at St. Peter's.

Saints & Swingers Plan Dance

The Saints & Swingers Square-Dance Club of Libertyville will hold their Annual Jamboree Sunday afternoon, Nov. 17, from 2 to 5 p.m. at the Highland School, 310 West Rockland Road, Libertyville.

There will be four callers: Jim Shiporski, club caller, and guest callers Lenny Roos, Ed Hemple, and Tessa Malop.

Two halls will be available for dancing: one for new dancers and one for intermediate dancers.

All square-dance club members and their callers are cordially invited to attend.

Legion News

LEGION AUXILIARY NEWS

Mrs. Lucy Himens, president, and Mrs. Edward Jahneke, 10th District American Legion Auxiliary Publicity chairman, attended the 10th District American Legion Auxiliary Board meeting held at the Deerfield Legion Home, in Deerfield, on Wednesday, October 20.

Cadet Ed Jahneke, Jr., of the Onaga Military School, Onaga, Ill., has been promoted to Cadet Corporal. Promotions in rank are based on their ability in military science, and on their scholastic standing. Cadet Ed is the son of Mr. and Mrs. Edward Jahneke.

Campus News

Les Geist, son of Mr. and Mrs. Charles Geist of R.R. 1, Antioch, was home October 19 to help his parents celebrate their twenty-fifth wedding anniversary. Les is a freshman at Western Illinois University at Macomb, where he is majoring in accounting.

SANDRA LYNN HAY AND JAMES WOLTER

Wolter-Hay Nuptials At St. Mark's Church

Announce Engagement

Mr. and Mrs. Alfred Dettmerring, Antioch, announce the engagement of their daughter, Judith, to Richard Buckholtz, son of Mr. and Mrs. James Buckholtz of Winter, Wisconsin. No wedding date has been set.

Order of Rainbow For Girls

The Antioch Assembly, Order of the Rainbow for Girls, will meet on Monday, November 11, at 7 p.m. at the Masonic Temple.

Sue Lindblad asks the girls to please bring their dimes for O.E.S. place cards and canned goods for the Thanksgiving Charity baskets. Susan Bloom and her mother will be in charge of refreshments.

The annual Grand Cross Banquet for this area will be held at the Millburn Masonic Temple on Sunday, Nov. 10. All members are asked to notify Mrs. Arthur Ames, Waukegan, if they wish reservations for the dinner which will be served at 3 p.m.

A feather party will be held at Antioch Moose Lodge on Saturday, Nov. 9, starting at 9 p.m. (tilt . . .). This is an annual event. Music will be by the Rhythm Kings. According to Henry Grewe, party chairman, there will be plenty of fowl.

The Antioch Moose ritual team will travel to McHenry Moose Lodge on Tuesday, Nov. 12th to perform initiation ceremony for McHenry lodge. Carl Schiesser is Antioch Moose ritual chairman.

ANTIOCH METHODIST CHURCH NEWS

By Del Jahneke
Mr. and Mrs. Wilfred Jennrich, Petite Lake, had their new son, Steven Allen, receive the sacrament of baptism on Sunday, Nov. 3, at the Methodist Church services.

There was a group Quarterly Conference workshop, held at the First Methodist Church in Woodstock, Sunday, Nov. 3, from 3:00 to 8:00 p.m. Mr. Millburn Cain, Mrs. L. V. Sittler, Mr. and Mrs. Thomas Spacek, Rev. and Mrs. Donald Cobb, Mr. and Mrs. Charles Watson, and Mr. Clifton Houghton attended this workshop.

The Membership and Evangelism committee, under the chairmanship of Mr. Millburn Cain, will meet at the Methodist Church on Thursday, Nov. 7, at 7:30 p.m.

A baby son, Scott Allan, was born to Mr. and Mrs. Paul Stromberg, Antioch, on October 31, at St. Therese Hospital, Waukegan.

By Mrs. Bernice Bernau

Mr. and Mrs. James Wolter have returned from their honeymoon following their October 26 wedding in St. Mark's Lutheran Church in Lindenhurst. The bride, the former Miss Sandra Lynn Hay, is the daughter of Mr. and Mrs. Thomas Hay of 2300 E. Briar Lane. She was given in marriage by her father. Her bridegroom is the son of Mrs. Joseph Stochi of Chicago and Mr. Richard Wolter of Downers Grove. Officiating clergyman was the Rev. Harold J. Knappe of Trinity Lutheran church in Long Lake.

Maid of honor was Miss Mary Kay Jarvis. Bridesmaids were Miss Cheryl Galatt, Miss Dolores Strew and Miss Pam Myers. Junior bridesmaids were Terri and Dale Hay, cousins of the bride.

Tom Domek was best man and ushers were Richard Wolter, brother of the groom, Ronny Gable and David Hay, brother of the bride. John Hay, cousin of the bride, was the ring bearer.

For her wedding the bride chose a floor length gown with a lace bodice and a full skirt with a bustle and a chapel length train, of silk organza over taffeta. Rhinestones dotted the lace in the bodice and skirt. Her elbow length bouffant veil was held by a crown of seed pearls and rhinestones to form a cluster of flowers. She carried three white orchids in a crescent design.

The bride's attendants wore street length emerald green sheaths with bouffant overskirts. The Junior bridesmaid wore dresses of one piece in a lighter shade of green. Matching crown head pieces held their blusher veils. Their flowers were yellow carnations in the crescent shape.

The flower girl, Jill Raffel, cousin of the groom, wore a street length white dress with a full skirt. Her hairpiece was a crown of lace with a blusher veil.

Two hundred and fifty friends and relatives greeted Mr. and Mrs. Wolter at a reception at the Lindenhurst Civic Center following the 4:30 wedding. A hot buffet dinner was served.

The newly-weds, graduates of Antioch Community High School, are making their home at 2412 Deerpath in Lindenhurst.

SALEM METHODIST CHURCH CALENDAR

Mr. and Mrs. LaMont Davis, Bluff Lake, celebrated their 29th wedding anniversary on Saturday, Nov. 2.

Mrs. Frank Dibble, Antioch, is recovering slowly from her last stroke. Since it is quite difficult for her to manipulate the phone dial, she would be most happy if her many friends would telephone her instead. Her phone number is 395-0629.

Mr. and Mrs. Earl Horton and Mr. and Mrs. Art Laurson motored to LaPorte, Ind., to spend several days there. They also visited Mr. Alfred Hansen, Mrs. Horton's brother.

Mr. and Mrs. Edward Frazier and daughter Kathleen, of Antioch, attended the christening of their first grandson on Sunday, Nov. 3, at the Lutheran Covenant Church in Northbrook. The new grandson is Jeffrey Edward, the son of Judy and Edward Frazier, Jr., of Northbrook. Mr. and Mrs. Ed Frazier, Sr. already have two granddaughters.

Mr. and Mrs. Robert Dunlap, Jr., Grass Lake, celebrated their first wedding anniversary on Saturday, Nov. 2, by first going to the wedding reception for Mr. Kenneth Mazzuca and his bride, held at the home of his parents, Mr. and Mrs. George Mazzuca. They then went to the Miami Lounge, Chicago, to see and hear their friend, Rudy Mineo, perform as star pianist there. Rudy Mineo is a cousin of the well known Sal Mineo.

There was a neighborhood Halloween party at Petite Lake on Friday, Nov. 1. First prize in costumes went to Mr. and Mrs. Walter Johnson, dressed as court jesters; second, Mr. Leslie Gilmore; and 3rd prize, Mr. Peter Litchner.

Mrs. Richard Cerk, president of Grass Lake School P.T.A., Mrs. Robert Flint, Mrs. Porter Larson, and Mrs. Karl Hawkins were present at the first regular meeting of the Lake County P.T.A. Council, held at the Beach Park School, Waukegan, on Monday, Nov. 4.

The members of the Faith Evangelical Lutheran Church of Antioch held a family roller skating party at the Twin Lakes, Wis., Rollin' Wheels roller rink, on Wednesday, Oct. 30.

Here & There

By Mrs. Elsie M. Toman

Women's Club Meets

Guest Day at the meeting of the Antioch Woman's Club last week had a good turnout to hear Patricia Clifford give her dramatic review of the life of "The Richest Woman in the World," Mrs. Helen Gould Shepard, daughter of the financial wizard, Jay Gould.

It was announced that the next meeting of the Green Thumbers' Garden Club would be at the home of Mrs. Clarence Klenz on Monday, November 11.

The Literary Group will meet on Thursday, November 14, at the home of Mrs. V. W. Turner.

The next Downey Hospital party is Tuesday afternoon, Nov. 12. Anyone wishing to assist is asked to contact Mrs. Irving Elms.

Mrs. Don Purdy was chairman of the hostess committee for the afternoon, assisted by Mrs. George Anzinger, Mrs. A. H. Kaufman, Mrs. Charles Watson, Mrs. Robert Liess, Mrs. Elmo Edwards, Mrs. Clarence Olson, Mrs. James Choetham and Mrs. Dudley Kennedy.

smart-cuts for women

by Maggie Lovewell

How often have you said: "Oh My Aching Back!" Well girls, (and men too), doctors tell me many backaches need never happen if a few everyday precautions are followed. That comfortable, mushy-soft chair is a real killer. Sitting in it night after night just weakens the back muscles, and the simple act of getting up and out of it can injure many backs. Get a firm mattress, especially if you sleep on your side (you need this support). And Mom, raise those work surfaces to avoid as much bending as possible when ironing or cooking, or even diapering Baby. Never lift heavy things by bending over. Squat down to use your knees instead of your back to lift up.

Sweeten sponges, mops, or dishcloths by soaking in baking soda solution. Gets rid of those stale odors.

Got some swell hints the other day on buying sleepers for kids. If there's a zipper, make sure it locks and is bar-tacked at both ends. At the feet, check for reinforced soles—fabric or laminated plastic does the job best. Any snaps on the sleeper will hold best if backed with firm tape so they won't pull away from the garment. And measure distance under the crotch—you may need the room for extra diapers.

Maggie Magic: No matter what you're sewing—striped curtains, a plaid blouse, dress with floral design—to match up fabric pattern at the seams, always baste seam carefully before final stitching.

You can freeze cooked food safely. And that's true of any cooked meats, poultry, or even beef stew. That the meat may have been frozen before it was cooked doesn't affect it. As long as it's the first time the "cooked" food is frozen, it will retain its flavor and won't spoil.

Cool food as quickly as possible after cooking. Put in refrigerator or ice water until ready to package in small portions. It will now freeze and thaw much faster, retaining its original good, cooked taste.

(Watch for Maggie every week!)

is survived by his wife, Julia.

Convaesling in Home
Mr. William Rowe, a summer resident of Indian Point returned to his home in Mount Prospect, after having surgery in a Chicago hospital.

TO ANNIE MAE
Poor of Elsie will not have to ponder, 'Cause she already found 'er.

The person who can smile when everything goes wrong usually isn't doing anything to remedy the situation.

Sequoits Drop Finale To Wauconda, 26 to 7

Shivering before a brisk cold wind, Sequoit football fans watched their gridiron gladiators fall in their bid for a fourth place finish in the Northwest Suburban Conference. Playing at Wauconda, the Sequoits scored only once, losing their fifth game of the season 26 to 7.

Wauconda took the opening kickoff and with eight straight running plays opened the scoring. At the beginning of the second quarter, Wauconda fullback Bob Scott took a Sequoit punt on his own 21 yard line and rambled 70 yards for the Bulldogs' second TD.

In this same quarter, on a series of runs and passes,

Antioch penetrated to the Wauconda 15 yard line. The longest run of the drive was a 33 yard sprint by halfback John Morgan.

With second down and five to go on the Wauconda 15 yard line, Denny Schommer intercepted a pass by Wally Henning, intended for Bernie Smith and scampered 98 yards for the Bulldogs' third TD. A pass play for the point after touchdown was good and the Sequoits trailed at the end of the half 19 to 0.

Early in the third quarter Wauconda racked up their fourth and final touchdown on a 62 yard pass play, Don Miller to Dick Winterroth. Wauconda ran it over for the point after to end their scoring.

Late in the third quarter Vince Casella picked up a Wauconda fumble and ran it back 41 yards to the Bulldogs' 13 yard line. After six plays the Sequoits were 4th and goal to go when Henning rolled out and sprinted into the corner for the TD. Gates booted the extra point and that ended the scoring for the afternoon, 26 to 7.

Final Standings:

Lake Forest	7	0
Grayslake	5	2
Warren	5	2
Grant	5	2
Wauconda	3	4
Antioch	2	5
Round Lake	1	6
Ela-Vernon	0	7

Wilmot Hits Salem, 32-0

By John Hansen

A relatively close game for three quarters was turned into a rout in the fourth quarter as the Wilmot Panthers scorched Salem for three touchdowns to add to two early touchdowns for a 32-0 triumph. It was the last game of the year for the Falcons who closed the season with a 2-6 slate. Wilmot is 2-5 with one game left to play.

Quarterback Henry Fleck led the Panthers to their first touchdown. He threw a 15-yard pass to Mike Beyers and then threw a 10-yard TD pass to Keith Sonnickson. Larry Jerde booted the extra point.

A flurry of fumbles highlighted the second quarter. Salem recovered a Wilmot fumble but fumbled it right back to Wilmot. The Panthers were in a generous mood and fumbled it right back. The next time Wilmot got the ball they held on to it until Mike Beyers scored on a 6 yard plunge with less than a minute left in the half. The kick was no good and Wilmot held a 13-0 lead at the half.

The third quarter was scoreless as Salem defense held, but the Falcon offense never did mount a serious scoring threat.

Wilmot really rolled in the last quarter while Salem floundered. Early in the fourth quarter Terry Senesman scored on a 3-yard jaunt. Bob Schotanus shot through the Wilmot line to block the extra point. Wilmot kicked off and after the Falcons picked up a first down Keith Sonnickson intercepted a Salem pass and raced 62 yards for a TD. In the closing minutes of the game Wayne Schenning scored on a 44 yard TD pass from Jim Rasch. Jerde kicked the extra point.

Turkey Shoot Next Sunday

All is in complete readiness for those eager nimrods who are intent on knocking off a plump young turkey for the Thanksgiving feast, reported vice-president William E. Brook, who heads the special trap-shoot committee which also includes Steve Yadron and Walter Mueller.

Trap shooting equipment is in place and has been tested, a plentiful supply of ammunition and clay birds are in stock and plenty of mouth-watering turkeys, ducks and rock cornish hens will be on hand Sunday, November 10, at the shooting site, located on Highway 21-83, one mile south of Antioch.

A good number of "grudge" matches are expected to settle summer long claims as to the shooting abilities of the various and sundry claimants to the nonexistent title of "hot shot."

THE ANTIOCH NEWS 9 THURSDAY, NOVEMBER 7, 1968

For those fans who prefer to stand around and "shoot the breeze," there will be a refreshment stand manned by head chef Willis Shannon, loaded down with good vittles to eat. Plenty of free parking has been provided and everyone is invited to come out to shoot or watch the shooters. Net proceeds of the meet will be used by NICC to continue its established conservation program.

Starting time is 10 a.m. and will continue until dark.

\$46,000 Inventory

OF FINE FURNITURE MUST GO!

Starts Noon Friday, November 8, 1963. Daily thereafter until entire stock is sold. All sales final. Delivery service will be provided. Storage arrangements available for those who must take future delivery. Special discounts on housefuls and larger orders. Hold merchandise will require 10% deposit.

This inventory of fine furniture will appeal to buyers from the very modest to the high income brackets. The quality of this furniture ranges from economical to fine Early American, Modern and Traditional.

Included are bedroom, living room and dining room furniture from the nation's leading manufacturers. Decorator selected, exquisitely styled furnishings that will suit the taste of the most discriminating shopper. Contemporary, modern and Early American including, Sealy and Simmons mattresses. Prices all slashed, many below cost. Dining room tables and chairs. Occasional tables including oval, rectangular and round cocktail tables. Beautifully styled and tables, drum tables and foyer ensembles. Huge selection of wall decorative pieces and lamps; included are sconces, mirror sets, oil paintings, plaques and pictures, etc. Decorator lamp selection including choice selections from some of the nation's outstanding manufacturers. Large selection of hide-a-beds, sofa beds, sleeper divans, chair beds, and studio couches. Plenty of contemporary and modern numbers also.

Don't be surprised if you find many numbers currently displayed in top decorator's studios. This is not the usual sale merchandise, but top quality and demand styles.

Included in this huge inventory is everything you need to furnish a beautiful home or apartment. If you need a single piece or a complete houseful, don't fail to take this opportunity to save plenty of money. Cash talks, and we understand that kind of talk.

OLSEN Furniture

886 - 890 MAIN STREET, — ANTIOCH

THE ANTIOCH NEWS 10 THURSDAY, NOVEMBER 7, 1963

B. J. Hooper School cafeteria. The dinner is being served to the adult members of the congregation without charge. Baby sitting service for those who need it, will be provided at the church by members of the St. Mark High School Lutheran League.

Chester Fee, chairman of the special events committee, is working with Mrs. John Slove and Mrs. Harry Boal in arranging the catering service and table decorations, etc.

Revival Services

Revival Services will be conducted by the First Baptist Church of Lindenhurst during the week of Nov. 10-17 with Rev. Robert Post of Tulsa, Okla., as Evangelist. Services will begin each evening at 7:30 in the Lindenhurst Civic Center.

The music program will be under the direction of Rev. Julian Morrison, of Zion.

Special emphasis for these meetings will be High Attendance Day on Nov. 17. Nursery will be provided for each service and the public is invited.

Prince of Peace Church

The Holy Name Society will receive Holy Communion next Sunday at the 10 o'clock mass, instead of at 8 o'clock. There will be a Memorial Service for the deceased members, and for those who gave their lives in the defense of their country.

Choir practice for the men and women of the parish will be held on Nov. 12 at 7:30 p.m.

The annual Fall Dance sponsored by the Holy Name Society will be held Saturday, Nov. 23, at the Lindenhurst Civic Center. Tickets may be purchased from any Holy Name member or at the door.

St. Mark's Circle Meetings. The Miriam Circle will meet at the home of Mrs. Chester Fee Thursday, Nov. 7, at 8 p.m.

The Mary-Martha Circle will meet at the church Thursday afternoon at 1:00.

Halloween Parade Winners

One hundred and thirty-five boys and girls competed for prizes Halloween night at the Civic Center when the Lindenhurst Men's Club sponsored their annual Halloween Parade for the children.

In the 1 to 3 age group Cathy Bonovitz was the winner.

Neil Streicher dressed as a rooster, walked off with a dollar and also the grand prize of \$3 in the finals, for the 4 to 6 age group.

In the 7 to 9 age group, Sheila White was a very convincing cannibal.

In the 10 and 11 group, Pamela Page won "hands down."

For the 12 year olds and over Debbie Mertes won her \$1 as Aunt Jemima. She also won \$1 in the finals.

Board Meeting

The Lindenhurst Village Board will meet Monday,

Nov. 11 at 8 p.m. in the Village Hall.

Men's Club Meeting

The Lindenhurst Men's Club will meet Thursday, Nov. 7 at 8 p.m. at the Civic Center.

Night-Owls Club

Betty Janaga was hostess to her club last Friday evening. Since it was Halloween, the ladies played games instead of canasta.

New Babies

Mr. and Mrs. William Gruchfield, 1818 Hazelwood Drive welcomed their fourth son at St. Theresa Hospital October 31. Robert Thomas weighed 8 pounds 8 ounces at birth.

Welcoming the new arrival are his brothers, Bill, Greg and Jimmy.

Mr. and Mrs. Arthur Neubauer, 608 S. Deerpath Dr. are the proud parents of a 7 pound 2 ounce little red head, whom they have named

Sharon. The little lady arrived Oct. 29 at St. Theresa Hospital.

Hospital Patients

Mrs. Theresa Kaufmann, 2508 E. Highland is a patient at St. Theresa.

Bill Kaub, Sr. was in St. Theresa hospital from Wednesday until Saturday.

Birthday Celebration

Little Debbie Marie Mauck had parties the last two Sundays to commemorate her first birthday, Nov. 1.

Entertain Club

June Simcek entertained her Pinochle club last Friday evening.

Halloween Dance

About 25 couples attended the Halloween dance sponsored by the Men's and Women's Club last Saturday night.

Operation Cleanup

Saturday morning 26 members of the Boy's Club held "Operation Cleanup" at Lin-

den Plaza. In appreciation to the merchants who gave the club donations. The boys went in groups of 3 and visited each store asking what they could do. They picked up papers in the Plaza, wiped soap off the windows at the dime store, passed out flyers for the drug store, helped clean the refrigerator at the bakery and did other odd jobs. Some of the stores thanked the boys for their offer to help, but said they had help to do those services.

Venetian Village boys did odd jobs for Mrs. Victoria Kowicz, George's Shell Station and Klma's Resort.

Other donors, Lake Villa Lumber, Paul Avery, Lake Villa Pharmacy, Dalgard's IGA, Dorothy Sweeney, Wm. Effinger's Hardware, and Wolff's Resort will soon have some boys club members doing a little service for them.

Caught Coming and Going

Then there's the friend who was complaining about the cares and worries of today's life and living—he noted that when one does something wrong, the Government is there ready to fine him, and when one does something right, the Government is there ready to tax him.—The Grinnel (Iowa) Herald-Register.

Grant High News Notes

The Junior class play, "The Young Doctors," will be presented in the Grant High School auditorium November 15 and 16 at 8 p.m. The three act drama is an adaptation of Arthur Hailley's television play by Sherman L. Sergel. The story appeared in the form of a novel entitled "The Final Diagnosis" and was condensed and reprinted by the Reader's Digest. It has also appeared as a motion picture.

It is an exciting, wonderful story of men and women and of their responsibility to man through medicine. There is love of people, for each other and of doctors for their work. There is the wonderful dry humor of the hospital staff, the tragedy of a life lost, and the joy of medicine in a life saved by the right and timely operation. Twelve girls and seven boys make up the cast.

The faculty director is Mr. Martin Whelan.

The Grant High School Student Council has been invited to attend a leadership conference November 9 by the Waukegan High School Student Council. Featured speakers on the program will be State Representative Robert Coulson and U. S. Representative Robert McClory.

The Conference will also investigate such problems as qualifications of an officer, communications between groups within the school, budget and fund raising and international groups which contribute to international understanding.

West Miltmore

By Rosemary Haliday

Because of the rain Thursday evening, the West Miltmore Halloween party was held the following night, Friday, at the beach. There was a bonfire to keep the kids and grown-up children warm, with lots of hot dogs to eat and apple cider to drink. Prizes were given for each age group, up to 4 years old, 5 to 8 years old, 9 to 12 years old, and all over 12.

Everyone who had a costume on won an apple and candy. There was one thing missing at the party...

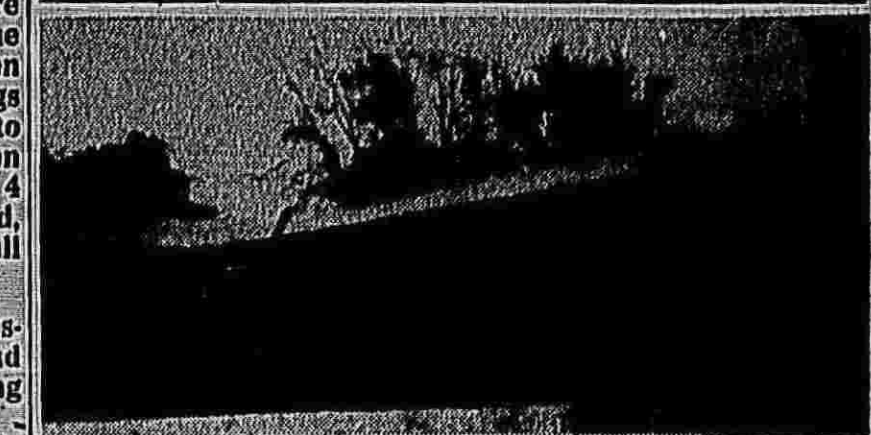

...didn't see even one witch. Could it be that they really only fly on Halloween night?

The Venetian Village Women's Auxiliary just likes parties. After their very successful card and bunco party a few weeks ago, they had a Halloween party at their regular meeting Tuesday, October 29. After a brief business session, games, stunts and refreshments took up the remainder of the evening. A 25 cent fine was levied on all the ladies who did not come in costume.

They did it again! Last Monday the members of the Lakeside Ladies Club completely surprised Mrs. Arlyne Bruner with a going away

party. Some of her neighbors had previously surprised her Saturday evening, and when her fellow members of the Lakeside Ladies showed up Monday evening with a gift, and food and fun... she was completely flabbergasted. Arlyne's parting words were, "It is nice to have so many friends."

Any man who says he can see through women is misbegasted. Arlyne's parting words were, "It is nice to have so many friends."

Construction is under way as the above photo shows, on our new apartment building on Fillmore Court, Antioch. The new housing unit is scheduled for completion sometime in January.

Inside Antioch High

By Marilyn Gras

This weekend, one of sev-
eral between the football and
basketball seasons, J. B. will
be presented at the ACHS
auditorium. J. B., a play in
verse was written by Archi-
bald MacLeish. It played on
Broadway in 1959. The play
is the story of two unem-
ployed actors who take on
the wagger of the "Book of
Job." That God will strip Job
of everything he has, Job the
perfect and upright man, will
curse God to his face.
Lloyd Pedersen will play the
title role of J.B.

Dropping its final game of
the season, the Sequoit foot-
ball team finished in sixth
place. Antioch's varsity lost
to the Waconda Bulldogs
last Saturday by the score of
26-7. The Sequoit Sopho-
mores and Frosh teams won,
however, by the scores of 7-6
and 27-0 respectively.

This Saturday many Sen-
iors will take the ACT. This
test is required for admission
to all Illinois universities and
many other colleges. Also
students who wish to try for
an Illinois State Scholarship
must take the ACT. Most
Antioch students will take

the test either in Watkogan
or Libertyville.

Next week is the nation-
wide American Education
Week. The theme for this
week will be "Education
Strengthens the Nation."
Daily topics are: Sunday,
November 10 — Values of
Free Mon. Monday — Learning
Opportunities for All;
Tuesday — Quality Teaching;
Wednesday — Balanced Cur-
riculum; Thursday — Commu-
nity Resources; Friday — Fi-
nancial Support; and Satur-
day — Goals for Tomorrow.

All Antioch community
residents are invited to visit

THE ANTIOCH NEWS 11
THURSDAY, NOVEMBER 7, 1963

school during the week to
see the special exhibits and
the regular daily program in
action.

Girl: What makes me so
popular with the boys? Is it
my looks?

Boy: No.

Girl: Is it my personality?

Boy: No.

Girl: I give up.

Boy: That's it.

A vacation is what you
take when you can't take
what you've been taking.

THE BIBLE

SPEAKS

TO YOU

November 10, 1963

9:30 a.m. on WAIT (820 ka.)

This week's Christian Science program

"DOES MODERN MAN NEED GOD?"

Do you feel that God is a part
of your life? This program con-
cluding the special group "God in the
Twentieth Century" brings out
that man's existence and every-
thing worthwhile in it manifests
the presence of God.

Sunday 9-2 p.m.

You can tell when a new car has caught on.
You hear its name more. You see it on the street more.
If this is the year you picked to buy a new car,
it becomes one of the cars you're going to look at.
Have a look.

Fury 2-Door Hardtop

The 1964 Plymouth

New good looks. Sensational performance. Lasting qual-
ity. These are the reasons the 1964 Plymouth is turning
up more and more across the country. Whether it's a
hardtop, sedan, wagon, or convertible, you'll like the
clean, simple, strong lines that mark the modern

Plymouth. You'll also like the split-second acceleration
and superb handling of this car, and the 5-year/50,000-
mile warranty* on the parts that keep you going. If this
is the year you picked to buy a new car, you picked
a beautiful year to **Get up and go Plymouth!**

*5-YEAR/50,000-MILE WARRANTY: Chrysler Corporation warrants for 5 years or 50,000 miles, whichever comes first, against defects in materials and workmanship and will replace or repair at a Chrysler Motors Corporation Authorized Dealer's place of business, the engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excluding manual clutch), torque converter, drive shaft, universal joints, rear axle and differential, and rear wheel bearings of its 1964 automobiles, provided the owner has the engine oil changed every 3 months or 4,000 miles, whichever comes first, the oil filter replaced every second oil change and the carburetor air filter cleaned every 6 months and replaced every 2 years, and every 6 months furnishes to such a dealer evidence of performance of the required service, and requests the dealer to certify (1) receipt of such evidence and (2) the car's then current mileage.

See Plymouth in action on "The Bob Hope Show" and "The Huntley-Brinkley Report"—NBC-TV.
